

## Woods Rider Interview Questions

1. Provide an example of when you set expectations and monitored the performance of subordinates. What guidance and direction did you find most effective?

2. What have you found to be the best way to monitor workers to ensure that safety regulations are followed, warning or disciplining those who violate safety regulations?

3. What is the most challenging part of monitoring logging operations to identify and solve problems, improve work methods, and ensure compliance with safety, company, and government regulations?

4. Provide an example of a time when you successfully organized a diverse group of people to accomplish a task.

5. Share an experience you had in dealing with a difficult person and how you handled the situation.

6. Describe a time when you successfully serviced, repaired, or tested a machine or device that operates mainly by mechanical principles.

7. Tell me about your qualifications for and your experience handling vehicles and/or mechanized equipment.

8. Tell me about a recent experience you've had working with your hands.

9. Tell me how you organize, plan, and prioritize your work.

10. Tell me about the last time you monitored or reviewed information and detected a problem. How did you respond?

11. Share an example of a time you had to gather information from multiple sources. How did you determine which information was relevant?

12. Provide an experience that demonstrates your ability to manage time effectively. What were the challenges and results?

13. What have you found to be the best way to monitor the performance of your work and/or the work of others? Share a time when you had to take corrective action.

## Woods Rider Interview Questions

14. Describe an experience in which you successfully controlled the operation of a difficult system. What made you successful?

15. Tell me about the last time you oversaw the work of someone else. How did you effectively motivate, develop, and direct the worker(s)?

16. Walk me through how you would train workers in tree felling or bucking, operation of tractors or loading machines, yarding or loading techniques, or safety regulations.

17. Describe an experience when you changed logging operations or methods to eliminate unsafe conditions.

18. Describe a process you would use to plan or schedule logging operations, such as felling or bucking trees or grading, sorting, yarding, or loading logs.

19. Give me an example of when you thought outside of the box. How did it help your employer?

20. Share an experience in which you successfully coordinated with others. How about a coordination effort that was not as successful?

21. Share an experience in which your willingness to lead or offer an opinion helped your company.

22. Share an experience in which your attention to detail and thoroughness had an impact on your last company.

23. How do you balance cooperation with others and independent thinking? Share an example. (Try to determine if the candidate has a cooperative attitude or is otherwise good-natured.)

24. Provide an example of a time when you were able to demonstrate excellent listening skills. What was the situation and outcome?

25. Share an example of when you went above and beyond the "call of duty". (Look for answers that show the candidate is dependable.)

## Woods Rider Interview Questions
