1. Tell me how you organize, plan, and prioritize your work.
The standard of the standard o
2. Share an experience in which you successfully synchronized and/or equalized prerecorded dialogue, music,
and sound effects with visual action.
3. Share an experience you had in dealing with a difficult person and how you handled the situation.
4. Share an experience in which you successfully shared a difficult piece of information. (Make sure that the
candidate has open lines of communication.)
5. Describe a time when you successfully serviced, repaired, calibrated, or tested a device that operates mainly
by electronic principles.
6. Share an experience in which you've successfully learned how to handle a new piece of equipment?
o. Share an experience in which you've successfully learned now to handle a new piece of equipment?
7. Share an experience when you applied new technology or information in your job. How did it help your
company?
company:
8. Give me an example of when you thought outside of the box. How did it help your employer?
9. Tell me about an experience in which you analyzed information and evaluated results to choose the best
solution to a problem.
10. Tell me about the last time you monitored or reviewed information and detected a problem. How did you
respond?
11. Share an example of a time you had to gather information from multiple sources. How did you determine
which information was relevant?
10.01
12. Share an experience in which your attention to detail and thoroughness had an impact on your last
company.
12 Chara an axample of when you want shows and havend the "sall of duty" (I salt for answers that show the
13. Share an example of when you went above and beyond the "call of duty". (Look for answers that show the
candidate is dependable.)

14. How do you balance cooperation with others and independent thinking? Share an example. (Try to determine if the candidate has a cooperative attitude or is otherwise good-natured.)
15. Tell me about a successful musical instrument digital interface program which you created.
16. What type of recording equipment are you most familiar with?
17. What type of recording equipment are you most familiar with?
17. What type of recording equipment are you most familiar with:
18. What is the state of your logs of recordings? Name one thing you would like to improve.
19. Provide an effective method you have used to ensure that equipment is properly maintained.
20. Provide a time when you dealt calmly and effectively with a high-stress situation.
21. Provide a time when you worked in a rapidly evolving workplace. How did you deal with the change? (Make sure the candidate is flexible.)
22. Describe your experience using sound editing and duplication equipment.
23. Share an experience in which conferring with others helped you to effectively achieve the desired sound for a production.
24. Name a time when your advice to management led to an improvement in your company or otherwise helped your employer.
25. Name a time when your patience was tested. How did you keep your emotions in check?
26. Provide an example of when you were persistent in the face of obstacles.
27. Share an example of when you established and accomplished a goal that was personally challenging. What helped you succeed?

28. What factors do you consider when preparing for recording sessions? Share an experience.  29. Share an effective approach to working with a large amount of information/data. How has your approach affected your company?  30. Provide an experience in which you successfully separated sounds and combined sounds later, during postproduction.  31. Share a time when you willingly took on additional responsibilities or challenges. How did you successfully meet all of the demands of these responsibilities? (Make sure the candidate is a self-starter and can demonstrate some initiative.)  32. Provide an example of a time when you successfully organized a diverse group of people to accomplish a task.  33. Name a time when your creativity or alternative thinking solved a problem in your workplace.  34. Share an experience in which your diligence of inspecting equipment, structures, or materials helped you identify a problem or the cause of a problem.  35. Name a time when you identified strengths and weaknesses of alternative solutions to problems. What was the impact?  36. Please share an experience in which you presented to a group. What was the situation and how did it go?  37. Tell me about a time when you developed your own way of doing things or were self-motivated to finish an important task.  38. Share your experience converting video and audio recordings into digital formats.	
30. Provide an experience in which you successfully separated sounds and combined sounds later, during postproduction.  31. Share a time when you willingly took on additional responsibilities or challenges. How did you successfully meet all of the demands of these responsibilities?
