

Canary Raiser Interview Questions

1. Tell me about a recent experience you've had working with your hands.
2. Share an example of when you went above and beyond the "call of duty". (Look for answers that show the candidate is dependable.)
3. Describe your experience mixing food, liquid formulas, medications, and/or food supplements.
4. Share an effective method you have used to detect signs of illness, disease, or injury in animals.
5. Share an experience in which your attention to detail and thoroughness had an impact on your last company.
6. Provide an experience in which you effectively treated a sick or injured animal.
7. Tell me about a time when you developed your own way of doing things or were self-motivated to finish an important task.
8. Share an experience in which you effectively cleaned, organized, maintained, and disinfected animal quarters.
9. What is the state of your records of animal information? What is something you would like to improve?
10. Provide an experience in which you successfully performed animal grooming duties.
