

## Hospice Superintendent Interview Questions

1. What have you found to be the best way to monitor the performance of your work and/or the work of others? Share a time when you had to take corrective action.

2. Share a method you have used which has helped you maintain communication between governing boards, medical staff, and department heads.

3. What is the most challenging part of budgeting for you?

4. Tell me about your last experience recruiting, interviewing, or hiring an employee. What techniques did you find most effective in finding the right person for the job?

5. Name a time when your advice to management led to an improvement in your company or otherwise helped your employer.

6. Please share with me an example of how you helped coach or mentor someone. What improvements did you see in the person's knowledge or skills?

7. Provide an example of when you set expectations and monitored the performance of subordinates. What guidance and direction did you find most effective?

8. Describe an experience in which you identified the educational needs of your students and successfully developed a way to teach/train them.

9. In your experience, what is the key to developing a good team? (Look for how they build mutual trust, respect, and cooperation.)

10. Provide an example of a time when you successfully organized a diverse group of people to accomplish a task.
