

Inspector Interview Questions

1. Share an experience you had in dealing with a difficult person and how you handled the situation.

2. Describe an effective method you have used to inspect premises for infestation sources, damage, and access to infested locations.

3. Name a time when your advice to management led to an improvement in your company or otherwise helped your employer.

4. Describe an experience in which you identified the educational needs of your students and successfully developed a way to teach/train them.

5. What is the key to success when communicating with the public.

6. Share an experience in which you successfully shared a difficult piece of information. (Make sure that the candidate has open lines of communication.)

7. Tell me about a recent experience you've had working with your hands.

8. How do you stay fit in order to perform physical activities that are required in the workplace?

9. Tell me how you organize, plan, and prioritize your work.

10. What are some long-range objectives that you developed in your last job? What did you do to achieve them?
