

## Lamination Spinner Interview Questions

|   |
|---|
| 1. Share an experience in which you've successfully learned how to handle a new piece of equipment?   |
|   |
| 2. Tell me about a recent experience you've had working with your hands.  |
|   |
| 3. How do you stay fit in order to perform physical activities that are required in the workplace?  |
|   |
| 4. Share an example of when you went above and beyond the "call of duty". (Look for answers that show the candidate is dependable.)                       |
|   |
| 5. Share an effective method you have used to ensure that products conform to quality standards.  |
|   |
| 6. Describe your experience operating machinery used in production processes.   |
|   |
| 7. Share an experience in which your attention to detail and thoroughness had an impact on your last company.   |
|   |
| 8. Share your experience packing and storing materials and products.  |
|   |
| 9. Share an experience in which your diligence of inspecting equipment, structures, or materials helped you identify a problem or the cause of a problem. |
|   |
| 10. Tell me about the last time you monitored or reviewed information and detected a problem. How did you respond?  |
