

Clinical Coordinator Of Respiratory Therapy Interview Questions

1. What have you found to be the best way to monitor the performance of your work and/or the work of others? Share a time when you had to take corrective action.

2. Provide an experience in which your monitoring of a patient's physiological responses to therapy helped you to identify and/or resolve a difficult problem.

3. Describe an experience in which you identified the educational needs of your students and successfully developed a way to teach/train them.

4. Provide an example of a time when you successfully organized a diverse group of people to accomplish a task.

5. What is the key to success when communicating with the public.

6. Describe a time when you successfully provided personal assistance to a coworker or patron.

7. Share an experience you had in dealing with a difficult person and how you handled the situation.

8. Share an experience in which you successfully shared a difficult piece of information. (Make sure that the candidate has open lines of communication.)

9. Share an experience in which you've successfully learned how to handle a new piece of equipment?

10. Tell me about a recent experience you've had working with your hands.
