

## Fabrication Operator Interview Questions

1. Tell me how you organize, plan, and prioritize your work.

2. Share an experience in which you inspected materials, components, and products for defects and measured circuitry.

3. Share an experience in which you successfully shared a difficult piece of information. (Make sure that the candidate has open lines of communication.)

4. Share an experience in which you've successfully learned how to handle a new piece of equipment?

5. Tell me about a recent experience you've had working with your hands.

6. How do you stay fit in order to perform physical activities that are required in the workplace?

7. Share an experience when you applied new technology or information in your job. How did it help your company?

8. Tell me about the last time you monitored or reviewed information and detected a problem. How did you respond?

9. Share an experience you had in dealing with a difficult person and how you handled the situation.

10. In your experience, what is the key to ensuring your company was compliant with all laws, regulations and standards that were applicable to your area of responsibility?
