

Operating Room Surgical Technician (or St) Interview Questions

1. Share an experience in which your diligence of inspecting equipment, structures, or materials helped you identify a problem or the cause of a problem.

2. Share an experience in which you effectively assisted a surgeon during a difficult operation.

3. Describe an experience in which you identified the educational needs of your students and successfully developed a way to teach/train them.

4. Describe a time when you successfully provided personal assistance to a coworker or patron.

5. Share an experience you had in dealing with a difficult person and how you handled the situation.

6. Share an experience in which you successfully shared a difficult piece of information. (Make sure that the candidate has open lines of communication.)

7. Tell me about a recent experience you've had working with your hands.

8. How do you stay fit in order to perform physical activities that are required in the workplace?

9. Tell me how you organize, plan, and prioritize your work.

10. Share an experience when you applied new technology or information in your job. How did it help your company?
