

Stapler Interview Questions

1. Tell me about a recent experience you've had working with your hands.

2. Tell me about an experience in which you analyzed information and evaluated results to choose the best solution to a problem.

3. What kind of experience do you have fitting, installing, and securing material on frames, using hand tools, power tools, glue, cement, and/or staples?

4. Describe an experience when you read work orders, and applied knowledge and experience with materials in order to determine types and amounts of materials required to cover workpieces.

5. Share an experience in which you've successfully learned how to handle a new piece of equipment?

6. Give me an example of when you thought outside of the box. How did it help your employer?

7. Tell me how you organize, plan, and prioritize your work.

8. Share an experience you had in dealing with a difficult person and how you handled the situation.

9. Explain to me what it means to build furniture up with loose fiber stuffing, cotton, felt, and/or foam padding to form smooth rounded surfaces?

10. Share an experience in which your attention to detail and thoroughness had an impact on your last company.
