

## Television Production Assistant Interview Questions

1. Share your experience operating television or motion picture cameras to record scenes for television broadcasts, advertising, or motion pictures.

2. Tell me how you would adjust positions and controls of cameras, printers, and related equipment to change focus, exposure, and lighting.

3. Walk me through how you confer with directors, sound and lighting technicians, electricians, and other crew members to discuss assignments and determine filming sequences, desired effects, camera movements, and lighting requirements.

4. Share an experience when you applied new technology or information in your job. How did it help your company?

5. Give me an example of when you thought outside of the box. How did it help your employer?

6. Share an experience you had in dealing with a difficult person and how you handled the situation.

7. Share an experience in which you successfully shared a difficult piece of information. (Make sure that the candidate has open lines of communication.)

8. Share an example of a time you had to gather information from multiple sources. How did you determine which information was relevant?

9. Share an example of when you went above and beyond the "call of duty". (Look for answers that show the candidate is dependable.)

10. Tell me how you organize, plan, and prioritize your work.

11. Provide a time when you worked in a rapidly evolving workplace. How did you deal with the change? (Make sure the candidate is flexible.)

12. What is the most challenging part of testing, cleaning, maintaining, and repairing broadcast equipment, including testing microphones, to ensure proper working condition?

## Television Production Assistant Interview Questions

13. Share a process you would use to assemble studio sets, and select and arrange cameras, film stock, audio, or lighting equipment to be used during filming.

14. Name a time when you set up cameras, optical printers, and related equipment to produce photographs and special effects.

15. What kind of experience do you have editing video for broadcast productions, including non-linear editing?

16. What method have you found useful when composing and framing each shot, applying the technical aspects of light, lenses, film, filters, and camera settings to achieve the effects sought by directors?

17. Share an experience in which your attention to detail and thoroughness had an impact on your last company.

18. How do you balance cooperation with others and independent thinking? Share an example. (Try to determine if the candidate has a cooperative attitude or is otherwise good-natured.)

19. Share an experience in which you successfully coordinated with others. How about a coordination effort that was not as successful?

20. Provide a time when you dealt calmly and effectively with a high-stress situation.
