Canine Service Teacher Interview Questions

1. Give me an example of when you thought outside of the box. How did it help your employer?
2. Share an experience in which you identified an illness or unhealthy condition in an animal.
3. Describe an experience in which you identified the educational needs of your students and successfully
developed a way to teach/train them.
4. Share an experience you had in dealing with a difficult person and how you handled the situation.
5. Tell me about a recent experience you've had working with your hands.
6. How do you stay fit in order to perform physical activities that are required in the workplace?
7. Share an experience when you applied new technology or information in your job. How did it help your
company?
8. Tell me about an experience in which you analyzed information and evaluated results to choose the best
solution to a problem.
9. Share an example of a time you had to gather information from multiple sources. How did you determine
which information was relevant?
10. What is the key to success when communicating with the public.
11. Describe your experience instructing jockeys in the handling of horses during races.
12. Share an experience in which you trained a horse or other equine. How did you apply your knowledge to
be more effective?
13. Share an experience in which you successfully shared a difficult piece of information. (Make sure that the
candidate has open lines of communication.)
14. Tell me about the commands you have used to condition horses to carry riders or pull equipment. Share an
experience in which you were successful.

Canine Service Teacher Interview Questions
